

Counter Sneeze Guard is perfect for businesses that have face-to-face interactions with customers on a daily basis. This sneeze guard design aids in protecting the health and safety of employees & customers from transmitting any airborne germs that could lead to illness. Installing Sneeze Guard will not only protect employees and customers from airborne pathogenic organisms but also reduce the risk of spreading COVID-19 or other airborne viruses.

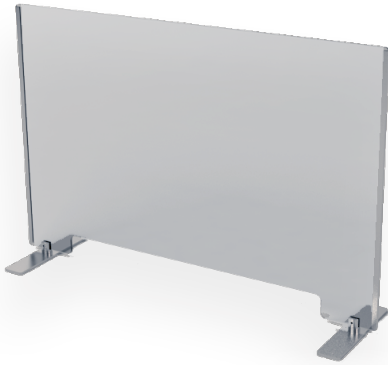

- Made from clear 1/4" thick acrylic
- Aluminum frame and legs
- 22 different leg & frame finishes available
- Easy to clean & sanitize
- Lightweight
- Standard pass-through slot (extra for additional cuts)
- Easy to install and remove (no damage to the work surface)
- Custom sizes & materials available upon request
